ALL THE DIRT THAT'S FIT TO PRINT

2021

## Thank You for an AWESOME 2021 Season!

We hope everyone had an enjoyable Thanksgiving holiday. As we enter the final stretch of 2021, we wanted to take a look back and give thanks to everyone that helped make our inaugural race season such an overwhelming success! It's amazing to think that in only our second season, the MICL had 412 student athletes and 203 coaches!

The bottom line is, we couldn't have done it without YOU! We owe a huge amount of gratitude and high fives to all our sponsors and league supporters who continue to believe in and support our mission; to the incredible volunteers who show up at our events to lend a helping hand and to cheer on our student athletes; to all our dedicated coaches who give their time, energy and passion day in, and day out to get #morekidsonbikes; and to all our student athletes who show up, put in the work, smile while doing it, and keep all of us amazed with their grit and determination. You ALL are the face of the league and the future of cycling in the Show Me State!

We also want to thank those that work behind the scenes to make the Missouri League go. We might be a bit biased, but we think the Missouri crew is the most talented and fun race staff in all of NICA! They plan, they train, they execute, and receive very little credit for their efforts. A big shoutout to our Dream Team: Matt Hartman; John Peiffer; Andy Schuette; Angela Peterson; Tina Murtha; Beth Kelly; Michael Cuddihee; Christine Huebbe; Brit Phillips; Elena Friedman; Patricia Estrada; Dave Beattie; Barbara Rowland; Shannon Beattie; John Huebbe; Tyler Carroll; Amanda Thieme; Cody Jones; Phil Balsamo, Eric Frazier, Jay Thomas and Jill, Kolce and Luke!

After taking most of the month of November off, the Missouri staff is busy starting to plan the 2022 season. We can't wait to roll up our sleeves and get started!

Cheers!

## Interested in Coaching or Starting a Team in 2022?

Skilled and dedicated Missouri NICA volunteers are the most important aspect of our interscholastic mountain bike teams. A Missouri NICA volunteer puts the safety and overall well-being of their student-athletes as the first priority. Missouri NICA coaches are role models and teachers who are open to learning the best practices of youth mountain bike coaching and actively work to hone their leadership skills. To learn more: [Become a Missouri NICA Coach](#)

Maybe you want to form an interscholastic mountain bike team or club in your community? Starting and managing an interscholastic mountain bike team is no small task – but it's incredibly rewarding work! To get started and to ensure your effort is a success: [Starting a Missouri NICA Team](#)
